Dear Sir or Madam,

**NOTIFICATION OF ESSENTIAL SAFETY MAINTENANCE WORKS  
A43 Northbound, Northampton Road Roundabout to Silverstone.**

I'm writing to let you know that we'll be carrying out essential maintenance work on the A43 Northbound carriageway between Northampton Road roundabout and Silverstone including adjoining exits / entry slip roads.

During our comprehensive scheme of work on the A43, we'll repair and replace damaged drains, resurface the carriageway, renew damaged kerbs, refresh road markings and install road studs.

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

**When will the work take place?**

Work is due to start **26 July 2021** and is scheduled for completion by mid **December 2021**.

To keep our programme for these works as short as possible and minimise disruption to the local community, we will work:

- between 7pm and 6am, Monday to Thursday
- from 8pm Friday to 8am Saturday, 7pm Saturday to 9am Sunday and 8pm Sunday to 6am Monday

Please note that all our planned works are subject to change due to weather conditions or unforeseen circumstances, such as emergency roadworks becoming necessary on the diversion routes.

**How will the work affect traffic?**

To maintain a safe environment for our workforce and motorists, we will need to use a mixture of lane and full carriageway closures while we work.

During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority. All carriageways will be open, as usual, outside our working hours.

If you'd like more information regarding the different phases of our work or a copy of the diversion route drawings, please feel free to get in touch with us.

### **How will the work affect businesses and residents?**

We will make sure that access to businesses and residences is maintained wherever possible.

Please be assured that all winter maintenance work i.e. gritting of the roads will be carried out as usual too.

We will also have a dedicated Public Liaison Officer on hand to answer any questions.

### **Contact Us**
